

# SIGNATURE

# FOUR by 4™

MSRP: \$647.00ea

## Performance

- Stunning topend performance
- Exceptional handling and maneuverability
- Quicker planing off time
- Virtually no cavitation in turning
- Increased performance and throttle response in the midrange

## Features:

- Polished finish
- One piece cast
- Solid hub design

## Size and Rotation:

- Pitch: 18, 20, 22, 24, 26, 28
- Rotation: Left and Right

## \*Replaces:

- Mercruiser Bravo III Propellers
- Yanmar ZT350 Propellers

The **Four By 4** is the ultimate combination of eight blades. Designed to work on the \*Bravo three and \*Yanmar ZT350, these twin four blade propellers are so efficient they blow the competition out of the water.
